

```
ggplot(filter(unisex_data, name=="Casey"),  
  aes(x=Male, y=Female)) +  
  geom_point(shape=24, size=3, color="red",  
    fill="blue", stroke=2)
```

Scales

```
ggplot(mpg, aes(displ, hwy, colour = class)) +  
  geom_point() +  
  theme_minimal()
```
