

X and Y Scales

```
scale_x_log10()  
scale_x_reverse()  
scale_x_discrete() # can set labels  
scale_x_date()    # to set date formatting
```

```
ggplot(mpg, aes(displ, hwy)) +  
  geom_point() +  
  scale_y_continuous(name="Highway Miles Per Gallon",  
    limits=c(0, 50),  
    breaks=seq(0, 50, 5))
```
