

```
ggplot(mpg, aes(displ, hwy)) +  
  geom_point() +  
  theme_bw() +  
  theme(panel.grid.minor.y=element_line(color="red"))
```

Theme Elements

- `element_blank`: draws nothing, and assigns no space
- `element_rect`: borders and backgrounds
- `element_line`: lines
- `element_text`: text
